

# Gang Starr Lyrics

## "Positivity (Remix)"

*[Chubb Rock]* "Now let's get off this negative tip, and go positive"

*[DJ Premier cuts n scratches]*

*[Guru]*

Now is the chance to advance and get an outlook  
Create the circumstance, because I doubt books  
can relay, words this way, so I'll portray  
a new image, and let's begin as  
members who pledge to, look up ahead to  
a beautiful world, though we've been led to  
believe it will not be and, we still are seen  
Agreein there'll be peace, the wealth will increase  
and we'll prosper, you know like flourishin  
The rhyme I toss ya, it will be nourishin  
Cause I must bring, ideals for better living see  
Because I do believe in positivity

"Positive but never negative"

*[DJ Premier cuts n scratches]*

*[Guru]*

Weak is the clown, much weaker is the fool  
I'll overrule to duel and to school  
For reasons that are so deep, I don't need no cheap  
people to identify, I'll just say hi and bye  
Since I'm an optimist, I'll turn and walk with this  
tape playing loudly, inside my headphones  
MC's that crowd me, turn into headstones  
Because I don't have time for, powerless minds or  
suckers who suck, because I find more  
interesting topics, you can not stop it  
I drop it and rock it I shock it, that's how I'm livin B  
I have to live my life with positivity

"Positive but never negative"

*[DJ Premier cuts n scratches]*

*[Guru]*

Havin nothin to lose, so much to win  
Bein grateful for my darker skin, I take you for a spin  
and then begin to groove and sooth and move your whole  
crew, the Guru, and truth I wanna give to you  
So watch as I break through to your dome  
Cause I'm prone to give a message, then back home  
is where I'm goin, still knowin, my life's right  
and that days to come, will be fun  
I'll achieve, I'll receive, and I'll be livin free

Me and my DJ Premier with positivity... positivity!

"Positive but never negative"

*[DJ Premier cuts n scratches]*

*[Guru]*
